Police, Fire and Crime Commissioner Survey

Dear all,

Police, Fire and Crime Commissioner David Allen has recently launched his Police, Fire and Crime Plan Consultation and is seeking the views of the public on the future priorities of Cumbria Constabulary and Cumbria Fire and Rescue Service.

The consultation results will assist with the development of the Police, Fire and Crime Plan for the next four years. The Plan sets out the aims that the Constabulary and Fire and Rescue Service will prioritise based on what the public would like to see from their services and will be used by the Commissioner to hold the Chief Constable and Chief Fire Officer to account.

As well as focussing on the priorities of the Services, the consultation is also asking residents how safe they currently feel in the county and their views on the current service they receive from Police and Fire and Rescue.

The survey can be found here: [//www.surveymonkey.com/r/PoliceFireandCrimePlanConsultation](https://www.surveymonkey.com/r/PoliceFireandCrimePlanConsultation)

Please could you share the survey as wide as you can so that as many people as possible to ensure every voice and community is heard.

If you have any questions or concerns, please let us know.

Kind regards

On behalf of

Office of the Police, Fire and Crime Commissioner
